

Dear Rita, Choices' Board and Choices' Supporters,

Greetings in the Name of the Most High who is sovereign over the affairs of men!

On behalf of the GCCC family, *congratulations* on 21 years of speaking up and out for the lives of the defenseless—that's the second great commandment. Better yet, thanks for speaking up and out for God—that's the first great Commandment. As of this writing, all indications are we have a President, Congress and Senate, and possibly a SCOTUS who could very well fight for the lives of the defenseless in the womb.

We moved onto our Chapel Heights campus in 1996, the same year Choices became a 501c3. That year our Thanksgiving Day offering went to Choices—we have never regretted one moment of that decision then or now as Choices continues to be one of our largest supported missions.

It has been my honor personally, and as a Church, to support Rita Leone-Reyes as a person, as a director, and as a champion of the "sanctity of life." Our prayer is deeply rooted in 2 Chronicles 7:14. We have, as have millions of Christians around the world, fervently petitioned our God to hear the blood-cry of the unborn and His church. May the LORD have mercy on a bloodstained nation, and help us turn away from our sins, seek His magnanimous face and therefore become the beneficiaries of a healed land.

It is said a person can live 40 days without food, 8 days without water, 3 minutes without air, and only 1 second without hope. All glory to the Father, Son and Holy Spirit—hope is in the atmosphere.

Choices, keep up the "good work," which God prepared in advance for you to do. Keep speaking up and out for God. And, yes, God bless Choices and God bless America.

In Jesus,
